## CERTIFICATIONS

November 09, 2022

Full Stack Developer  
Certificate: University  
of Utah

[View My Certificate](#)

## Professional Profile

Recent graduate of the University of Utah Full Stack Web Developer Bootcamp. Currently studying Bachelor of Information Technology at Strayer University. As a dedicated problem solver, I am excited to use my analytical and technical skills to continue learning and thrive as an entry-level developer.

## WORK EXPERIENCE

**NetApp**  
Inside Partner  
Technical Lead

(January 2021 -  
Present)

Responsible for driving growth for NetApp partners through product education and tools. Drive excitement and interest in NetApp solutions and technology. Understand and deliver NetApp’s technical vision and strategy to the partner community as well as develop strategies to ensure technical competency for NetApp solutions and tools needed to support the partner’s business plan and growth objectives.

**Strayer University**  
Admissions  
Officer

(June 2018 -  
January 2021)

While Adhering to all University policies and procedures and federal, state, and accrediting agency rules with respect to recruitment, interview prospective students to determine their educational background and future goals. Collect all required documentation through the enrollment process; then support students through their educational journey by partnering with other departments including Student Services, Academics, and the University Registrar’s Office.

**Lowe’s Home Improvement**  
Service Manager

(May 2014 -  
June 2018)

Manager of retail merchandise platform. Oversaw 25 associates in 5 departments. Trained employees and unified departments by sharing best practices and common goals. Expert in product knowledge – Lumber, Building Material, Tools, Hardware, and Millwork. Enhanced customer service experience by understanding their needs and identifying solutions. Maintained customer focused behavior, while mitigating and reducing complaints.
